

**Material Safety Data Sheet**

May be used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements.

**U.S. Department of Labor**

Occupational Safety and Health Administration  
(Non-Mandatory Form)  
Form Approved  
OMB No. 1218-0072

<b>IDENTITY</b> ( <i>As Used on Label and List</i> ) <b>AQUAPILL 11 ODOR ELIMINATOR</b>	MSDS: AP11 Supersedes: N/A
---	-------------------------------

**Section I**

Manufacturer's Name <b>SMARTPOOL INC</b>	Emergency Telephone Number US Shipments: 1-800-424-9300
Address ( <i>Number, Street, City, State, and ZIP Code</i> ) 687 Prospect Street Lakewood, NJ 08701	Telephone Number for Information - 1-888-560-7665 Date Prepared May 2, 2008 Signature of Preparer ( <i>optional</i> ) –

**Section II - Hazard Ingredients/Identity Information**

Other Limits					
Hazardous Components (Specific Chemical Identity; Common Name(s))				OSHA PEL	
ACGIH TLV	Recommended	% ( <i>Optional</i> )			
All components are organic in nature and are non-toxic, non-caustic, non corrosive. Products contain no paint, solvents, base metals or metallic coatings. Non-hazardous and non-flammable, and non acidic.					
Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and. Or handling of this material when such use and/or handling is contrary to the label instructions. While the seller believes that the information contained herein is accurate, such information is offered solely for its customers' consideration and verification under their specific use conditions. This information is not to be deemed a warranty or representation of any kind for which Seller assumes legal responsibility.					

**Section III – Physical/Chemical Characteristics**

Boiling Point	212	Specific Gravity (H <sub>2</sub> O = 1)	1.003
Vapor Pressure (mm Hg.)	Not Available	Melting Point	Not Available
Vapor Density (AIR = 1)	Not Available	Evaporation Rate (Butyl Acetate = 1)	Not Available

Solubility in Water Complete – Product is liquid

Appearance and Odor - Color is amber, Scent is Lemon

**Section IV – Fire and Explosion Hazard Data**

Flash Point ( <i>Method Used</i> ) N/A	Flammable Limits	LEL N/A	UEL N/A
--	------------------	---------	---------

Extinguishing Media None Required

Special Fire Fighting Procedures None Required

Unusual Fire and Explosion Hazards - None Required

(Reproduce locally)

OSHA 174, Sept. 1985

**Section V - Reactivity Data**

Stability	Unstable		Conditions to Avoid	Not necessary
	Stable	X		

Incompatibility (*Materials to Avoid*) N/A

Hazardous Decomposition or Byproducts Not Available

Hazardous Polymerization	May Occur		Conditions to Avoid	Not necessary
	Will Not Occur	X		

**Section VI – Health Hazard Data**

Route(s) of Entry:	Inhalation? Hazardous	Non	Skin? Non Hazardous	Ingestion? Flush with water
--------------------	--------------------------	-----	------------------------	--------------------------------

Health Hazards (*Acute and Chronic*) None

Carcinogenicity:	NTP?	None	IARC Monographs? None	OSHA Regulated? Not Regulated
------------------	------	------	--------------------------	----------------------------------

Signs and Symptoms of Exposure Will not occur

Medical Conditions Will not occur  
Generally Aggravated by Exposure

Emergency and First Aid Procedures - Flush from Eyes with cool water

**Section VII - Precautions for Safe Handling, Use and Disposal**

Steps to be taken in Case Material is Released or Spilled – Rinse away with water or wipe up spill.

Waste Disposal Method – Through regular drain systems

Precautions to be Taken in Handling and Storing Store at room temperature. Do not allow contents to exceed 170 degrees Fahrenheit.

Other Precautions - None

---

The following are steps to be taken in case of the material is released or spilled:

- Initially minimize the area effected by the spill or leak.
- Block any potential routes to water systems (e.g., sewers, streams, lakes, etc.)
- Recover as much of the pure product as possible.
- Later, determine if the recovered Solar Pill can be used for its intended purposes.
- Address clean-up of contaminated environments.
- Spill or leak residuals should be neutralized or absorbed onto an inert substance.
- After all visible traces have been removed, flush the area with a large amount of water.
- Generally, neutralized waste may be disposed into a municipal sewer system with a large amount of water.
- Disposal method must be made in accordance with federal, state and local regulations.

Based on the products toxicological and chemical properties, and on the size and location of the spill or leak, assess the impact on contaminated environments (e.g., water systems, ground, air, equipment, etc.) Minimize adverse effects on these environments. Determine if federal, state, and/or local release notification is required.

**WASTE DISPOSAL METHOD:**

Follow federal, state, and local regulations governing the disposal of waste materials.

Spill or Leak Residuals, Contaminated Materials: Determine if waste containing this product can be handled by available effluent system or other on-site management unit (e.g. incinerator, deep well, etc.) If off-site management is required, contact a company experienced in industrial waste management.

Empty containers of this product are not hazardous wastes. Triple rinse container with water before discarding in the trash or offer for recycling.

**PRECAUTIONS TO BE TAKEN IN HANDLING AND STORAGE:**

Keep container closed when not in use. Keep product from freezing. Keep product away from children.

---

**Section VIII – Control Measures**

Respiratory Protection (*Specify Type*) No ventilation necessary. No special Precautions required

Ventilation	Local Exhaust <i>Not Required</i>	Special <i>Not Required</i>
	Mechanical ( <i>General</i> ) <i>Not Required</i>	Other <i>Not Required</i>
Protective Gloves	<i>None Required</i>	Eye Protection <i>None Required</i>
Other Protective Clothing or Equipment	<i>None Required</i>	
Work/Hygienic Practices <i>None Required</i>
